Sperling Industries Ltd. is a leader in structural steel manufacturing and mechanical equipment supply and installation. We take pride in producing high-quality products while maintaining a safe, team-oriented workplace.

Summary:

Due to continued growth, we are seeking a **Metal Fabrication Shop Technician** to join our team at our production facility in Sperling, Manitoba. If you enjoy working with your hands, operating in a fast-paced environment, and being part of a team, we want to hear from you. This is a permanent, full-time position with an immediate start date.

Primary Responsibilities:

- Assist with production in metal fabrication shop
- Organize and stage parts between multiple shops to keep production running efficiently
- Support daily shop operations and production schedules
- Follow work instructions provided by the Shop Supervisor
- Maintain a clean, organized, safe, positive and productive work environment
- Basic tool repair and organization

Education, Experience, skills:

- Experience in manufacturing, blue print reading, welding, or a related trade
- Experience operating mobile equipment (forklift, telehandler, overhead cranes)
- CWB welding tickets (considered an asset)
- Strong problem-solving and critical-thinking skills
- Physical ability to perform demanding shop work safely
- Good communication with English reading, writing, and speaking proficiency
- Valid class 5 license, class 3 would be an asset
- Willingness to work overtime and occasional weekends when required

Compensation and growth opportunities:

- Salary to be on an hourly basis. $21-26/hr based on qualifications and experience.
- Overtime paid at 1.5x
- 6% vacation pay and 4% general holiday pay paid on each paycheque
- Comprehensive Dental/Medical benefits package for long term employees
- RRSP contribution program for long term employees
- Stable year-round employment with the opportunity to develop fabrication, welding and mechanical skills while working alongside skilled tradespeople.
- Become part of a growing Manitoba company with a strong reputation for quality workmanship
