

Sperling Industries Ltd. is an industry leader in structural steel manufacturing and mechanical equipment supply and install. We are looking for a journeyman/red seal mobile crane operator to join our team.

Summary:

Duties primarily consist of crane operation on construction sites. Our operators work alongside our field laborers. The work may involve new construction and/or repairs and modifications to structural steel and agricultural equipment. This permanent, full-time position involves being away from home for short periods of time. Wage dependent on experience and abilities.

Primary Responsibilities:

- Operate a variety of craning equipment safely at multiple job sites
 - 110 ton Terex, 110 ton Grove, 35 ton Terex, Manitex 50155S
 - Link belt 50 ton and 65 ton
 - Picker trucks, spyder cranes, carry decks
- Perform routine maintenance on craning equipment
- Follow instructions from site foreman and provide support to other team members
- Create, read and understand all job hazard assessments while following all applicable safety procedures and practices
- Duties other than Craning
 - Operate hand/power tools (rigging equipment, drills, grinders, cutting torches)
 - Load/unload construction materials, general site maintenance and clean up

Education, Experience, skills:

- Proof of certification is required
- Class 1 drivers license would be an asset
- General hardworking labour skills in the construction industry are required
- Must be able to read, write and speak English
- Available to work extended shifts, night shifts and weekends when necessary
- Must be physically fit for the industry

Compensation:

- Starting Salary \$30 - \$40 an hour depending on qualifications and experience.
- Overtime remunerated at 1.5x when applicable
- 6% vacation pay and 4% general holiday pay on each pay cheque
- Comprehensive Dental/Medical benefits package after a 3-month waiting period
- RRSP contribution program for long term employees
